

KYOLIC® Liquid. Plain, Flavor and Odor Modified (2 fl. oz. or 4 fl. oz.)
*Supports Healthy Heart and Overall Function**

- The garlic used in all KYOLIC Aged Garlic Extract™ formulas is organically grown.
- Aged Garlic Extract and its constituents have been suggested to have an array of benefits in studies from maintaining healthy cholesterol levels, enhancing circulation, supporting immune function, fighting stress and fatigue to help in maintaining healthy function of the liver and nerves. Aged Garlic Extract has been shown to effectively kill the yeast *Candida albicans* in various studies. Veterinarian Gloria Dodd, D.P.M., has successfully used KYOLIC in helping many animals.*

KYOLIC® RESERVE (Capsules) -
*Supports Healthy Cholesterol Levels**

- Contains 600 mg of Aged Garlic Extract™ in one capsule..
- Aged Garlic Extract supports healthy cholesterol levels, circulation, immune function, liver function, nerves and assists in fighting stress and fatigue. Yeast, sodium and dairy free.*

KYOLIC® FORMULA 100 (Capsules and Tablets)
*Supports Cardiovascular Health **

- Aged Garlic Extract™ [300 mg]; Whey
- Aged Garlic Extract supports healthy cholesterol levels, circulation, immune function, liver function, nerves and assists in fighting stress and fatigue. Aged Garlic Extract and its constituents have also been shown to enhance the growth of beneficial bacteria. Whey contains a high quality protein and is an excellent food source for the growth of beneficial bacteria

KYOLIC® FORMULA 100 Vegetarian (Vegetarian Capsules)
*Supports Cardiovascular Health **

- Aged Garlic Extract™ [300 mg]
- 100% Vegetarian
- Aged Garlic Extract supports healthy cholesterol levels, circulation, immune function, liver function, nerves and assists in fighting stress and fatigue. Aged Garlic Extract and its constituents have also been shown to enhance the growth of beneficial bacteria.*

KYOLIC® FORMULA 101 (Capsules and Tablets)
*Helps Increase Energy**

- Aged Garlic Extract™ [270 mg]; Brewer's Yeast [27 mg]; Kelp [9 mg]; Whey
- Brewer's yeast is a source of natural vitamin B complex and trace minerals. Kelp is a source of organic and inorganic iodine and other minerals. Brewer's yeast and kelp may help to replenish beneficial minerals. Aged Garlic Extract assists in fighting stress and fatigue. In addition, it may help to chelate (remove) heavy metals from the body.*

KYOLIC® FORMULA 102 (Vegetarian Capsules and Vegetarian Tablets)
*Supports Healthy Digestion **

- Aged Garlic Extract™ [350 mg]; Food Enzymes: Amylase, Protease, Cellulase and Lipase [15 mg]
- Digestive enzymes help to breakdown carbohydrates, proteins, fibers and fats into absorbable units. Heating and other processing can destroy digestive enzymes found in foods. Supplemental enzymes work synergistically with the body's internal enzymes to enhance digestion. Ideal for those who wish to maintain healthy enzyme production (such as the elderly or those with pancreatic problems).*

KYOLIC® FORMULA 103 (Capsules)

*Supports Healthy Immune Function**

- Aged Garlic Extract™ [220 mg]; Ester-C® [52.5 mg]; Astragalus Membranaceous [50 mg]; Premium Mushroom Complex [75 mg]; Oregano [50 mg], Olive Leaf [40 mg]
- Vitamin C is an essential nutrient for humans and must be consumed daily. Vitamin C, a known antioxidant, is essential for proper immune cell function. Ester C is a patented form of vitamin C (ascorbic acid) which has demonstrated superior absorption over other forms of vitamin C. It has been shown to enter the bloodstream twice as fast and remain in the body twice as long as ascorbic acid and is excreted from the body at a slower rate. Ester C also has been shown to increase tissue concentrations of vitamin C more significantly than other sources. Oregano has shown ability to inhibit several pathogenic bacteria and fungi. Olive leaf, standardized to 18% of the active compound oleuropin, exhibits antimicrobial & antiviral activity. As part of a healthy diet, the select combination of premium mushrooms has also shown immune enhancement via activation of various immune cells. Astragalus is a potent immune enhancing herb that has been used as a tonic in China, for centuries. Studies suggest it may provide nutritional support for healthy immune function.

KYOLIC® FORMULA 104 (Capsules)

*Supports Healthy Cholesterol Levels**

- Aged Garlic Extract™ [300 mg]; Lecithin [190 mg]
- Aged Garlic Extract supports healthy cholesterol levels and healthy nerve function and may quench free radicals that oxidize LDL cholesterol and damage heart tissue. Lecithin and its main constituent, choline, are important building blocks for all cell membranes. Choline is necessary to make the crucial neurotransmitter, acetylcholine, in the brain and nerves. Studies have suggested that choline and lecithin may help to maintain healthy cholesterol levels and nerves. Garlic combined with lecithin has been shown to provide nutritional support for healthy cholesterol and blood pressure and to support healthy circulation

KYOLIC® FORMULA 105 (Capsules)

*Detox & Anti-Aging Formula **

- Aged Garlic Extract™ [200 mg]; Beta-carotene [1250 I.U.], Natural Vitamin E [7.5 I.U.]; Ester C® [15 mg]; Selenium [17.5 mcg]; Green Tea [37.5 mg]; Milk Thistle [25 mg], L-Glutathione [12.5 mg], Pine Bark [3.75 mg], Grape Seed [3.75 mg]
- Aged Garlic Extract has shown antioxidant effects in studies suggesting it may protect white blood cells, liver cells, heart cells and veins and brain cells from oxidative damage. Antioxidant vitamins: Beta-carotene, vitamin C and vitamin E. Antioxidant herbs: Green Tea, Pine Bark and Grape Seed Detoxifying agents: Milk Thistle, L-Glutathione and Selenium. Provides antioxidant intervention by inhibiting or reducing free radical toxicity and may help to detoxify the body and alleviate or delay signs of aging.

KYOLIC® FORMULA 106 (Capsules)

*Supports Healthy Blood Pressure **

- Aged Garlic Extract™ [300 mg]; Natural Vitamin E (100 I.U.); Hawthorn Berry [50 mg]; Cayenne Pepper [10 mg] . Aged Garlic Extract has been shown to support healthy circulation and blood pressure. Vitamin E may support heart function by protecting the body against damage from free radicals and oxidants. Hawthorn berry and its Antioxidative bioflavonoids help to maintain a healthy cardiovascular system. Hawthorn berry combined with Aged Garlic Extract has been suggested to maintain a healthy heart, liver and, pancreas. Cayenne pepper has been suggested to help maintain healthy circulation, heart function and metabolic rate.

KYOLIC® FORMULA 107 (Capsules)

*Supports Cardiovascular Health **

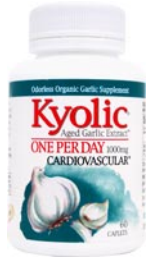

- Aged Garlic Extract™ [300 mg]; Red Yeast Rice [300 mg]
- Aged Garlic Extract supports healthy cholesterol levels and healthy nerve function and may quench free radicals that oxidize LDL cholesterol and damage heart tissue. Red Yeast Rice is a food supplement with many constituents working together, such as monacolins and plant sterols that, scientific research papers report, may help support the heart.

KYOLIC® FORMULA 108 (Capsules)

*Supports Healthy Homocysteine Level**

- Aged Garlic Extract™ [300 mg]; Folic Acid [200 mcg]; Vitamin B₆ [12.5 mg], Vitamin B₁₂ [100 mcg];
- Trimethylglycine (TMG as Betaine) [125 mg]. Aged Garlic Extract is patented for its ability to effectively reduce homocysteine. Aged Garlic Extract, B₆, B₁₂ and Folic Acid may help to normalize elevated homocysteine levels. Vitamin B₆, B₁₂, Folic Acid and TMG are ingredients added since their synergy is found more effective than any one alone in facilitating the proper function of homocysteine recycling (detoxification).*

KYOLIC® ONE PER DAY (Vegetarian Caplets)

*Supports Cardiovascular Health **

- Aged Garlic Extract™ [1,000 mg]
- One-per-day, highest potency formula. Aged Garlic Extract supports healthy cholesterol levels, circulation, immune function, liver function, nerves and may assist in fighting stress and fatigue. Sodium, dairy and yeast free.*

KYO-CHROME® (Capsules)

*Supports Healthy Cholesterol**

- Aged Garlic Extract™ [200 mg]; Chromium Picolinate [100 mcg]; Niacin [10 mg]
- Aged Garlic Extract supports healthy cholesterol levels and garlic has been suggested to maintain healthy blood sugar levels in studies. Chromium is important for proper insulin function and regulation of blood sugar. Clinical studies suggest chromium picolinate may support healthy blood sugar levels and cholesterol levels. Niacin may also support healthy cholesterol levels. Combined with chromium, it may support both healthy sugar and cholesterol levels.*

KYOLIC®*EPA (Soft-gel Capsules)

*Supports Cardiovascular Health **

- Aged Garlic Extract™ [120 mg]; EPA [280 mg]; DHA [120 mg]; Natural Vitamin E [5 I.U.]
- Studies suggest fish oils may help to maintain healthy blood pressure, triglycerides, cholesterol levels and healthy joints. Omega-3 fatty acids from fish oil have been shown to increase tissue levels of EPA ten times more efficiently than flaxseed oil.*

KYOLIC® GINKGO BILOBA PLUS (Capsules)

*The Smart Herbal Extract**

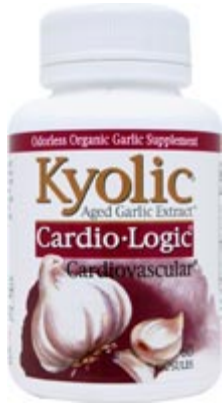

- Aged Garlic Extract™ [200 mg]; Ginkgo Biloba Extract (50:1) [40 mg]; Siberian Ginseng (*Eleutherococcus Senticosus*) Extract (5:1) [80 mg]
- Aged Garlic Extract may improve memory and learning and help maintain healthy circulation. Ginkgo biloba extract has been shown to improve memory and cognitive function. Further, it protects membranes from oxidation and maintains healthy circulation. *Ginkgo biloba* extract is standardized to 24% ginkgolavonglycosides and 6% terpene lactones. Siberian ginseng (5:1 extract) has been reported to enhance energy levels and working capacity.*

KYOLIC® NEURO*LOGIC® (Capsules)

*Supports Memory and Mental Acuity**

- Aged Garlic Extract™ [400 mg]; Ginkgo Biloba Extract [60 mg]; Lecithin [200 mg]; Acetyl-L-Carnitine [25 mg]; Phosphatidylserine [50 mg (30%)]; Folic Acid [200 mcg]; B12 [100 mcg]
 - Exclusively designed by David Perlmutter, M.D., Diplomate of the American Board of Neurology.
- Aged Garlic Extract and its constituents may improve memory and learning, and provide nutritional support for healthy nerve function and survival. Choline (from lecithin) is an essential part of the neurotransmitter (acetylcholine) that may help to support memory and learning. *Ginkgo biloba* extract has been shown to improve memory and cognitive function. Further, it may protect nerves from oxidative damage. Acetyl-L-carnitine may provide nutritional support for the nervous system, especially during stress and aging and various conditions which induce neuronal damage. Phosphatidylserine has been shown to improve memory in various clinical trials. Folic acid and B12 are necessary for proper development of the nervous system.*

KYOLIC® CARDIO*LOGIC® (Capsules)
*Supports Healthy Cardiovascular Function **

- Aged Garlic Extract™ [200 mg]; L-Carnitine [30 mg]; Coenzyme Q₁₀ [30 mg]; a-Lipoic Acid [30 mg]; Natural Vitamin E [50 I.U.]; B₆ [5 mg]; B₁₂ [100 mcg]; Folic Acid [200 mcg]
- Exclusive formula designed by Arnold Fox, MD., Beverly Hills Cardiologist known as "The Anti-Aging Doctor." Aged Garlic Extract may provide nutritional support for the cardiovascular system by maintaining healthy cholesterol levels, homocysteine levels and promoting healthy circulation, by quenching free radicals that may oxidize LDL cholesterol and damage heart tissue. Carnitine is needed to burn fats for fuel for the heart and may support the heart's response to exercise. Coenzyme Q₁₀, a potent antioxidant, scavenges free radicals that may damage heart or other tissue. Studies suggest Coenzyme Q₁₀ may improve exercise capacity, quality of life and survival of patients suffering from heart disease. Further, Coenzyme Q₁₀ and carnitine may work synergistically in their protective /antioxidative effects. A-Lipoic acid may also support the function of the heart through its energy producing and antioxidant effects. Vitamin E supports heart function by protecting the body against damage from free radicals and oxidants. Aged Garlic Extract, B₆, B₁₂ and Folic Acid may help to normalize elevated homocysteine levels.*

KYOLIC® PROSTA*LOGIC® (Soft-gel Capsules)
*Supports Healthy Prostate Function**

- Aged Garlic Extract™ [100 mg]; Saw Palmetto Berry Extract [160 mg]; Pumpkin Seed Oil Extract [50 mg]; *Pygeum africanum* Extract [50 mg]; Zinc [7.5 mg]; Lycopene [2.5 mg]
- Exclusively designed by renowned physician James Balch, M.D., member of the American Medical Association, Board Certified in the American Board of Urology, a fellow in the American College of Surgeons. Saw palmetto berry may provide nutritional support for healthy prostate and urinary tract function. Aged Garlic Extract and its constituents have been shown to enhance the activity of immune cells, which may help engulf abnormal cells or foreign organisms. Further, S-allyl mercaptocysteine (SAMC) in Aged Garlic Extract has been reported to inhibit the growth of abnormal prostate cells. Pumpkin seed (*Cucurbita pepo*) and *Pygeum africanum* also support healthy urinary function. Lycopene is the main carotenoid in the prostate gland and testes. It is an efficient scavenger of free radicals and may protect prostate cells from oxidative damage. Lycopene also supports a healthy prostate. Zinc is more concentrated in the prostate than any other organ in the body. It has been shown to help support "healthy immune function, to suppress inflammation and damaging free radicals which damage cells and lead to mutation.*"

ESTRO*LOGIC® (Capsules)
*Natural Estrogen Balance**

Black Cohosh [100 mg]; Soy Isoflavones [50 mg]; Wild Yam Extract [33.3 mg]; Sage Extract [25 mg]; Chastetree Berry Extract [12.5 mg]; Vervain Extract [12.5 mg]; *Astragalus Membranaceus* Extract [12.5 mg]; Motherwort Extract [12.5 mg] Exclusive formula designed by Kathleen Fry, M.D., Board Certified Gynecologist and President of the Board of Directors of the American Holistic Medical Association and Claudia Wingo, R.N., Medical Herbalist. Clinically tested ingredients may help support a healthy change of life by naturally reducing menopause symptoms. Black cohosh may decrease menopause symptoms, such as hot flashes, profuse sweating, sleep disturbances and depressive moods. Soy isoflavones may reduce hot flashes and vaginal dryness by decreasing midcycle surges in hormones. Further they may protect the heart by reducing cholesterol and preventing its oxidation. Wild yam, traditionally used for ovarian and uterine pain, may also support the cardiovascular system. Sage may inhibit excessive perspiration during menopause. Chastetree berry may stimulate estrogen (17[3-estradiol] and progesterone production by the body, decrease cyclical breast pain and may assist in maintaining healthy hormonal balance. Vervain is used for menopausal complaints and recommended for its nerve-calming and anti-depressive effects. *Astragalus membranaceus* provides nutritional support for healthy immune function and may protect heart tissue from free radical degeneration. Motherwort is calming to the heart and may reduce palpitations during menopause.*

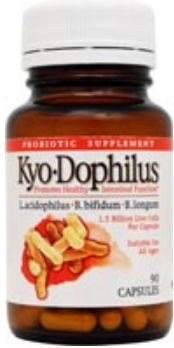

Kyolic Phytosterols Formula 107

Aged Garlic Extract™ [300 mg]; Plant Sterol Esters [400 mg] (per capsule).

Phytosterol Esters have been clinically proven to help reduce harmful LDL cholesterol levels, a major indicator for heart disease.

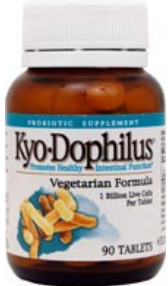

Taken daily, Kyolic Formula 107 may reduce the risk of heart disease by lowering cholesterol.

KYO-DOPHILUS® (Capsules)

*Promotes Healthy Intestinal Function **

- One capsule provides 1.5 billion live cells of *L. acidophilus*, *B. bifidum* and *B. longum*.
- *Unique human strains selected specifically to adapt to the human intestinal tract.*
- Acidophilus bacteria predominantly colonize the upper to lower part of the small intestine, while *bifidum* and *longum* colonize primarily the lower part of the small intestine to the large intestine. Combining these strains may help suppress harmful bacteria and the substances they produce along the entire intestinal tract. **KYO-DOPHILUS®** is ideal both for those who have been exposed to antibiotics and would like to restore their intestinal flora, also for those who would simply like to assure a surplus of beneficial bacteria in their intestinal tract. Friendly bacteria may nutritionally assist in the body's normal response to yeast. Guaranteed stability at room temperature. Does not require refrigeration. Dairy, sodium, yeast, corn and sugar free.*

KYO-DOPHILUS® (Tablets)

*Promotes Healthy Intestinal Function **

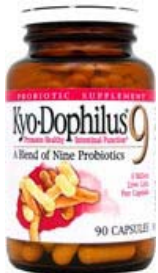

- One tablet provides one billion live cells of *L. acidophilus*.
- Unique human strain selected specifically to adapt to the human intestinal tract.
- Completely vegetarian (non-dairy), chewable, tasty and convenient. Guaranteed stability at room temperature. Does not require refrigeration. Dairy, sodium, yeast and sugar free. Suitable for all ages.*

KYO-DOPHILUS® One Per Day (Capsules)

*Promotes Healthy Intestinal Function **

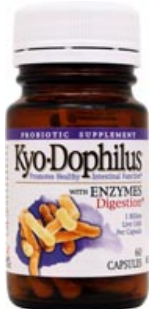

- One tablet provides three billion live cells of *L. acidophilus*, *B. bifidum* and *B. longum*.
- Unique human strains selected specifically to adapt to the human intestinal tract.
- Guaranteed stability room temperature. Does not require refrigeration. Dairy, sodium, yeast and sugar free. Suitable for all ages.*

KYO-DOPHILUS® 9 (Capsules)

*Promotes Healthy Intestinal Function **

- One capsule provides three billion live cells of *L. acidophilus*, *L. rhamnosas*, *L. gasseri*, *B. bifidum*, *B. longum strain M*, *B. longum strain B*, *B. infantis*, *B. breve* and *B. lactis*.
- Unique human strains selected specifically to adapt to the human intestinal tract.
- Guaranteed stability at room temperature. Does not require refrigeration. Dairy, sodium, yeast and sugar free.

KYO-DOPHILUS® with ENZYMES (Capsules)

*Promotes Healthy Digestion **

- One billion live cells of *L. acidophilus*; Food Enzymes: Protease, Lipase, Amylase, and Lactase [155 mg]
- These digestive enzymes help breakdown proteins, fats, carbohydrates and dairy into absorbable units. Guaranteed stability at room temperature. Does not require refrigeration. Dairy, sodium, yeast and sugar free.*

KID'S KYO-DOPHILUS® (Chewable Tablets)

*Children's Probiotic**

- One tablet provides one-half billion live cells of *L. Acidophilus*.
- Unique human strain selected specifically to adapt to the human intestinal tract.
- Completely vegetarian (non-dairy), chewable, tasty and convenient. Guaranteed stability at room temperature. Does not require refrigeration. Dairy, sodium, yeast and sugar free.*

KYO-GREEN® (Powder and Tablets)
*Tasty Green Drink; Powdered Vegetable Equivalent**

- Unique combination of organically grown Barley Grass and Wheat Grass, Pacific Kelp, Brown Rice and the treasured Green Algae and broken cell wall Chlorella.
- Two teaspoons provide the nutrients equal to a serving of deep green leafy vegetables.
- Tasty, natural source of vitamins, minerals and chlorophyll. The Barley and Wheat grasses are harvested at the peak of their nutritional value in the fertile Nasu Highlands of Japan. Chlorella is grown in natural mineral springs and Kelp is harvested from the northern Pacific. The combination in KYO-GREEN® was found to be more effective than any single component at enhancing the activity of immune cells.*

KYO-GREEN® HARVEST BLEND™ (Powder)
*Tasty Powdered Whole Foods Supplement and Drink Mix**

- KYO-GREEN® Harvest Blend™ is a nutritious and tasty green powdered drink mix. It is a wholesome blend of abundant plant source nutrients that contain vitamins, minerals, chlorophyll, protein, amino acids/enzymes, edible fibers and more; which are essential for optimum health. KYO-GREEN® Harvest Blend™ consists of 44 ingredients designed to enhance your immune function: Organic Barley and Wheat grasses harvested at peak nutritional value, FOS from Chicory, Brown Rice, Rice Protein, Oat B-glucan: Licorice Extract, Apple Pectin, Hi-Lutein Spinach, Japanese Chlorella, Green Tea, Hi-B-Carotene Carrot" Hi-Lycopene Tomato, Organic Kale, Kudzu, Prune, Reishi Mushroom, Organic Maitake Mushroom" Oyster Mushroom, Poria Cocos, Organic Reishi Mushroom Mycelia, Organic Shiitake Mushroom Mycelia, Shiitake Mushroom, Astragalus Extract, Milk Thistle, Olive Leaf Extract, Broccoli Sprout, Buckwheat Sprout, Mustard Sprout, Wheat Sprout, Organic Alfalfa, Artichoke, Flaxseed, Pine Bark Extract, Acerola Extract, Agaricus Mushroom, Cranberry, Kale Sprout, Grape Seed Extract, Red Beet, Eleuthero Extract, Ginger, Chaga Mushroom Extract and Coriolus Mushroom Extract.*

KYO-CHLORELLA™ (Tablets)
*Natural Antioxidant Phytonutrient Source**

- Chlorella [3 g]
- Specially cultivated green algae known as one of the best sources of natural chlorophyll and edible fiber. Made with a unique broken cell wall process to enhance bioavailability for better assimilation of nutrients. This power-packed whole food source provides over 19 amino acids, including all essential amino acids, making it a pure, potent source of protein. In addition, it contains beta-carotene and other valuable vitamins and minerals. Grown under the strictest quality control standards on one of the southern most islands of Japan in a pristine environment using pure mineral water and sunshine for nutrition. 100% pure, broken cell wall nutritious green algae. Free of any excipients. KYO-CHLORELLA™ provides the body with energy.*

GINGKO-GO!® (Tablets)
*Memory and Learning**

Provides [20 mg] of Ginkgo Biloba Extract (50:1)

Unique, high-potency one-per-day tablet standardized to 24% ginkgoflavonglycosides and 7% terpene lactones. Ginkgo biloba extract has been shown to improve memory and cognitive function. Ginkgo biloba extract may protect membranes from oxidation and maintain healthy circulation.*

BeSure® (Capsules)
*Prevents Gas**

Dietary supplement of food enzymes derived from *Saccharomyces* and *Aspergillus* help to break down sugars and fibers to prevent the fermentation of food and the generation of gas. BeSure® enables you to enjoy some of your favorite foods, such as beans, broccoli, cauliflower, lentils and soy-based foods, without the embarrassing consequences.*
